

*2014 Green Valley of Russian River Valley
Kobler Family Vineyard Viognier*

2014 has given us yet another year to spotlighting the raw and rare beauty of Viognier. Like in previous vintages, the Viognier is fermented in neutral barrels for 10 months. The favorable growing conditions of 2014 promoted great varietal character while retaining the freshness we crave. It is important to us that a single-vineyard wine be unique and complete – a wine that can stand on its own. This marks the third edition of bottling Viognier on its own and the three vintages have shown an array of flavors found in the Kobler Family Vineyard. 2012 exhibited a more savory side, while the 2013 showed off a bright, aromatic wine with fresh Meyer lemon. 2014's hallmark is a striking orange zest on the nose with a palate that is seamless and energetic.

Vineyard Notes:

Location

Kobler Family Vineyard is located on a slightly elevated ridge along the eastern border of Green Valley in the Russian River Valley, and its distinguishing climatic influences are cool temperatures, fog, and afternoon breezes.
