

DONELAN FAMILY WINES

The Donelan family would like to ensure that your health and safety is the most important to us. We want you to feel safe when visiting us for a tasting at our brand new outdoor tasting area in Santa Rosa.

- Our team has been trained on all new COVID-19 – related procedures or equipment required to maintain their safety in accordance with OSHA and CDC standards, such as the proper use of Personal Protective Equipment (PPE), etc.
- Our employees are regularly self-monitoring for symptoms and taking their own temperatures each day before traveling to work. Any employees with a temperature reading of 100 degrees or higher, or that exhibits any other COVID-19 related symptoms is required to stay home.
- Our employees will notify their supervisor if they begin to feel sick and immediately leave the premises.
- Our employees will wear face coverings while conducting tastings.
- Our employees will thoroughly wash their hands before and after each tasting session.
- Workspaces for employees maintain 6 feet of separation and establish the “maximum physical distancing occupancy” for our outdoor space.

- During our reopening, our tasting locations are only outdoors and adhere to social distancing and sanitation requirements.
- The number of our guests is limited to 6 people per reservation, and all tastings conducted will be by appointment only to further manage the number of guests visiting at one time.
- Guests will be required to wear face coverings until they are seated for their tasting. Once they are seated and the tasting begins, they can remove their face covering until the tasting ends.
- Our tasting menus are one-use only and disposed after each tasting.
- We have regularly scheduled sanitization of all tasting room surfaces including door knobs, light switches, tasting room stations, and bathroom fixtures at multiple and frequent intervals.
- We are offering hand sanitizer throughout the winery tasting room.
- We are sanitizing all tasting areas at the conclusion of every tasting session.
- Wine bottles are handled by tasting room staff only and will not make contact with a guest's glass.
- Communal wine "dump buckets" have been removed. If you'd like a personal dump bucket, please ask a tasting room associate.
- Glassware used for each tasting session is sanitized and washed immediately upon conclusion of each tasting to ensure used glasses do not collect in racks or tasting area.

- Every day at closing staff will be cleaning, sanitizing, and disinfecting all areas of our facility to encourage a safe environment for our guests and staff.
