

*2014 Sonoma County  
Rosé Wine*

The 2014 Rose is a selection of unique lots from vineyard blocks that display exotic fruit, incredible energy, and proof that even fun wines can have a serious and irresistible edge. The 2014 is a blend of 55% Syrah, 29% Grenache and 16% Pinot Noir, fermented in neutral barrels. It blooms with watermelon, mango, and grapefruit on the nose and palate, with driven acidity and heartbreaking pale pink color with a frosted copper edge. Think of it as the 2014 vintage unplugged – an acoustic version of the reds in barrel.
